no A.O. No 17/34-35 dated 8/1/35

Recommends that- Mr. D.C. Mahadevaraj Final year student, Lalbagh Veterinary college, may be granted a free scholarship as a very special case for a period of nine months from 15-9-34 to enable him to complete his course of study.

Submd.

1 The scholar states that he was granted three years free scholarship for three years, and two loan scholarships of nine months each. The Comptroller observes that he has been paid free scholarship for a period of 3 years, 9 months & 15 days. The State Scholarship for the study in the Lalbagh college is tenable for 4 years. He is, therefore, not entitled to further free scholarship.

2 The Supdt, C.V.D, states that the student is not in a position to furnish any security for the case a loan scholarship is proposed to be granted and recommends that a free scholarship may be granted to him as a special case for nine months from 15-9-34. He requested that it will take some time to reconcile the differences between the Comptroller's &

7 The applicant has been given scholarship for five years in all(Free scholarship for four years and Loan scholarship for one year). The applicant thinks that he has been granted Loan scholarships for two years and free scholarships for three years, taking that the scholarship given during 1929-30 is a loan scholarship. From G.O.No.D 6277-6 C.V.36-29-4 dated 9th December 1929 it will be seen that the scholarship sanctioned during 1929-30 is a free scholarship.

The grant of Free scholarships for more than four years is not desirable, particularly in the present case when the applicant has been allowed one year's loan scholarship in addition. Any scholarship considered necessary in the present case should be only a loan scholarship and suitable security(collateral or otherwise) has to be take for the loan.

The following conditions have been incorporated in the draft for orders:—

(1) Interest at the rate of 6% p.a.

(2) Repayment of the whole amount within three years after the scholar completes his course.

(3) Disbursement of the amount after finding out the financial position of the surety & after obtaining the necessary agreement.

13 It is also for consideration whether it is safe to grant a loan scholarship on the personal security of a person who is not in Govt service. The Govt Secy may, perhaps, be consulted in the matter

The Fl. Secy. has minuted that any scholarship considered necessary in the case should be one of a loan scholarship. Since the applicant is willing that the scholarship may be treated as a loan scholarship it does appear necessary to consult the Fl Secy again. The only question is about the sufficiency of the security offered by the security. This is perhaps a matter for the Dr of Agriculture to decide. The draft G.O. is therefore sent for consideration and issue thro' the Fl Dept.

19 A loan scholarship amounting to Rs. 480/- (including the College fees) was sanctioned to Mr. Mahadevaiah on the personal security of Mr. Chandrasekharan subject to certain conditions.

20 It is now reported that Mr. Chandrasekharan is not willing to stand surety to the candidate. It seems he was also not consulted by the candidate before sending up his application. The Dist. (2) The loan with interest to be recovered in monthly instalments after the candidate secures an appointment. The Director of Public Instruction may be consulted in the matter.

The scholar has drawn Rs 130-5-0 less during the 1st year on account of his joining the College in October 1927. Since several other students joined the college in October 1927 and have been similarly paid their scholarship, it is obviously undesirable to entertain a claim from any one student. As a result of his having failed in the examination of the 2nd year, he had to sit for the next examination after only nine months and as a result, the scholarship for the remaining months in the third year lapsed. The entertainment of a claim against this lapsed amount especially would be a grant of a special concession in addition to that allowed to the scholar who has already been shown the concession of a loan scholarship for one year.

If approved the Govt will be supposed as stated by the Comptroller in paras 37 & 38 above.

fp 14/6.W. It has been decided once for all that no free scholarship can be given to this scholar. What amount is considered necessary in this case has to be given as a loan scholarship subject to his furnishing adequate security.

The present request breaks entirely fresh ground. It had been assumed when refusing the free scholarship that he had been paid free scholarship in full for four years. It is now brought to notice that the amount actually paid to him falls short of the full limit of the scholarship admissible by Rs 229 + 4 + 257. But even if this is given the balance has to be treated also to be given as loan to make up the sum of Rs 480. The Dr has not stated if the security for the amount proposed to be given as a loan is sufficient.

However in the special circs of this case the Dr's proposal to rule sanctioned giving a sum of Rs 229 as free scholarship, provided adequate security is furnished for the balance of Rs. 257. If Govt rule accordingly

Respected Sir,

I most respectfully beg to state the following few lines for your kind consideration and favourable orders.

I am a Mysore State Veterinary Scholar who has been deputed to undergo training for a course of four years at the Punjab Veterinary College, Lahore. I have passed the Third Professional Examination in June 1934 standing Second in the Examination with a distinction of a Medal in Pathology. So far I have been awarded by the State three years Scholarship and two loan Scholarships of nine months each. I am entitled for one more free Scholarship which is now due for the current year in the Final Year Class. During last June when I personally applied for renewal of Scholarship, to the Superintendent Civil Veterinary Department, he had assured me that there would not be any trouble as to the grant for he had already obtained a sanction in the Budget for a free Scholarship for me. Thereupon I proceeded to continue my Final Year Course in the said College from August 1934 with the full hope of getting the Scholarship order through the Principal immediately; but after four months interval, the Superintendent has sent me a communication from the Director's Office in which I am given to understand that the Accountant's Office has objected to the recommendation made by the Director for a free Scholarship to me as it is shown in their accounts that I have been given four years free Scholarship already. Further there was suggestion from the Director that a loan

a loan Scholarship would be awarded in case proper security were to be furnished by me. I was taken aback by this unusual and surgprising order. For as my present conditions exist, I cannot give any security and accept a loan, where as I am entitled for a free Scholarship for the fresh course in the Final Year. The Principal of the College also recommended my case very strongly and requested the Superintendent to expedite the matter on its own merit without further delay, as my non-payments at the College would result in a great risk for attending the course any longer and that I would be expelled according to the rules of the College.

Sir, I have come all along from Lahore with the kind permission of the Principal to settle this matter and obtain the required sanction from the State. The matter needs urgent reply to the Principal in order to save me from being expelled for non-payments and that I may be facilitated to complete the course with proper Funds.

I have herewith enclosed the copies of the Scholarship amounts received by me and the Principal's recommendati I pray the benevolent Government would come to my rescue in time.

I might be permitted to state in brief the following facts to make my position clear.-

1. The procedure so far adopted in every case was the grant of a free Scholarship in each class of study and for any failure a loan of nine months.

2. Without a single exception out of nearly

nearly thirty candidates no one has failed to obtain a free Scholarship for the first year in each class whatever was the nature of the Scholarship awarded to him during the previous years.

3. The Government has been generous enough to grant free Scholarships even to a non-stipendary when he prayed only for a loan Scholarship.

4. Without a Free Scholarship this year, I will not be able to complete the course and will never be competent to repay the Scholarship amounts so far advanced to me.

In these circumstances, I once more pray that my case may kindly be considered with due justice and sympathy thus saving me from utter ruin.

Thanking you,

With reference to the above Memo, I have the honour to inform you that D.C. Mahadeviah is not willing to accept a loan Scholarship, nor is he able to furnish any security for one. The student does not appear to have received his free Scholarship for full three years and states that he is entitled to it for four years.

I would suggest that the statement be kindly substantiated and if found correct, that the payment of his Scholarship be expedited, because on account of his non-payment of the College fees, his attendances are not now being credited to him. According to the College rules, a student must attend 75% of the lectures and practical classes, before being allowed to take the Examination.

It will be appreciated that the student is incurring a grave risk of being ineligible to sit for the Examination.

1. The procedure so far adopted in every case was the grant of a free Scholarship in each class of study and for any failure a loan of nine months.

2. Without a single exception out of nearly

nearly thirty candidates no one has failed to obtain a free Scholarship for the first year in each class whatever was the nature of the Scholarship awarded to him during the previous years.

3. The Government has been generous enough to grant free Scholarships even to a non-stipendary when he prayed only for a loan Scholarship.

4. Without a Free Scholarship this year, I will not be able to complete the course and will never be competent to repay the Scholarship amounts so far advanced to me.

In these circumstances, I once more pray that my case may kindly be considered with due justice and sympathy thus saving me from utter ruin.

Thanking you,

Copy of letter No. STD. 3319/8 dated 8th December 1934 from W. Taylor, Esqr., M.R.C.V.S., D.V.H., I.V.S., Principal, Punjab Veterinary College, Lahore to the Superintendent, Civil Veterinary Department, Bangalore.

Ref: Your Memo No. HA-1-2/34-35
dated 24th November 1934.

With reference to the above Memo, I have the honour to inform you that D.C. Mahadeviah is not willing to accept a loan Scholarship, nor is he able to furnish any security for one. The student does not appear to have received his free Scholarship for full three years and states that he is entitled to it for four years.

I would suggest that the statement be kindly substantiated and if found correct, that the payment of his Scholarship be expedited, because on account of his non-payment of the College fees, his attendances are not now being credited to him. According to the College rules, a student must attend 75% of the lectures and practical classes, before being allowed to take the Examination.

It will be appreciated that the student is incurring a grave risk of being ineligible to sit for the Examination.

Statement showing the amounts of Scholarships paid to Mr. D.C. Mahadeviah Mysore State Scholar, from the date of joining the College, i.e., 1927-28 up to this date.-

Letter No.163/TAD B 1,dated 28th September 1934 from the Comptroller to the Government of Mysore, Bangalore, to the Director of Agriculture in Mysore, Bangalore.

With reference to the correspondence ending with your letter No.Hoc.71/34-35 C.V.2 dated 10-9-1934, regarding payment of scholarship and college fees to Mr.D.C.Mahadeviah, I have the honour to observe that the renewal of scholarship to him is contrary to Government Order No.D.6053-5/C.V.62-31-3 dated 27th/30th May 1932 as it is stated that scholarship for the period prescribed for the course has already been paid to him (Vide copy of letter dated 4-9-1934 of the Superintendent, Civil Veterinary Department). Sanction of Government is therefore necessary for the grant of loan scholarship for any further period.

The period for which the scholar was granted free scholarship has not been specified as it is stated that according to the scholar's statement, the period is 3 years and 9 months. It may kindly be stated in this connection, whether there are no relevant records kept in the office to ~~xxif~~ verify the above statement and how the period of payment of free scholarship is watched to see that it does not exceed the period prescribed for the course (Vide G.O. dated 27th/30th May 1932 referred to above).

It is observed from this office records that the scholar has been paid free scholarship for a period of 3 years and 9months and 15 days (till the end of June 1932). The scholarship paid for the excess period of 15 days has to be treated as a loan scholarship and sanction of Government may be obtained for the same and communicated to this Office.

Letter No.H.A.1-2/34-35 dated 4th January 1935 from the Superintendent, Civil Veterinary Department, Bangalore to the Director of Agriculture in Mysore, Bangalore.

With reference to your No.U.O.17/34-35 dated 3-1-1935 forwarding for report the application of D. C. Mahadeviah, final year student of the Lahore Veterinary College for the renewal of a free scholarship for having been promoted to the final year class, I have the honour to state as follows:-

The applicant was selected for study in the Lahore Veterinary College in the year 1927-28. On his promotion to the second year class his scholarship was renewed vide G.O.No.D.5640-1/C.V.99-27-12 dated 29-11-1928. He failed in the annual examination held in June 1929 and he was granted a free scholarship for the second year again to enable him to prosecute his studies in the second year class vide G.O.No.D.6277-8/C.V.36-29-4 dated 9-12-1929. The student again failed in the second year class for the second time and as he was permitted as a special case by the Punjab Government to sit for the annual examination in the same class, he was granted a loan scholarship vide G.O.No.D.7015-6/C.V.34-30-9 dated 9-1-1931 for which a substantial security has also been taken for the repayment of the loan. In the annual examination held in June 1931 he was promoted to the third year class and his scholarship was renewed vide G.O.No.D.1394-5/C.V.4-31-12 dated 1/2-9-1931. He failed in the annual examination held in June 1932 in the third year class and as such he was not granted any scholarship just as in the cases of other failed students of that year. The student has been promoted to the final year class in the examination held in June 1934, with a distinction and has won a medal in Pathology.

The Audit Office has also observed that the student has received free scholarship already for a period of three years, nine months and fifteen days. But the student in his application points out that he has received so far tw. loan scholarships and the Principal of the College also appears to be under the same impression as per a reply received on a reference to him from this office.

While submitting proposals for the budget of the current year

P.t.o.

a sum of Rs.480/- was however proposed for inclusion with a view to meet the scholarship of this student for a period of nine months in case he got through the annual examination successfully. Apart from this information no definite assurance was given to the student that his scholarship would be automatically renewed as stated by the applicant. As the student was promoted to the final year class proposals for the renewal of scholarship to this student were submitte But the Comptroller has observed that as per G.O.No.D.6053-5/C.V.62-31 dated 27/30-5-32 the student is not eligible for any free scholarshi as he has already received free scholarship for a period of fifteen days in excess of the prescribed period and of course, that he can only be granted a loan scholarship. The student was accordingly asked to intimate if he was agreeable to accept a loan scholarship under the circumstances.

Regarding the last para of page 2 of the student's application I wish to state as follows:-

1. Free scholarships were being granted in former years to students on their promotion to the next higher classes and also when they failed to secure promotion in other classes excepting the first year class in view of the difficulty in getting through the annual examinations according to the merits of each case.

2. It has been the procedure to grant free scholarship to students on their getting through successfully in the annual examination, irrespective of the nature of scholarships granted to them in the previous years.

3. The case referred to by the student is that of Mr. A.V.Srinivasa Rao to whom Government were pleased to sanction a free scholarship vide G.O.No.D.386-87/C.V.96-31-7 dated 25/27-7-1932.

The student represents that without a free scholarship he will not be able to prosecute his studies as he is too poor to furnish any security for the loan scholarship offered to him. The Principal has also informed that the student is running a great risk of becoming ineligible to sit for the diploma examination by not having paid the college fees. As the boy is too poor to continue his studies at his own cost nor to give any security for any loan and as his career will

be completely marred if a small help is not given to him by Government, I strongly recommend that he may be granted free scholarship as a very special case for a period of nine months from 15-9-1934 to enable him to complete his course of study. There is provision in the current year's budget to meet this item of expenditure.

The file is herewith returned.

Respected Sir,

I beg to submit the following few lines to your kind consideration and favourable orders.

It has been decided that only a loan Scholarship should be awarded to me to complete the final year course at the Punjab Veterinary College Lahore.

As the Principal of the college has warned me that I will be expelled from the institution in case I would not turn up to the college in time and would not pay up the college fees immediately, I most humbly request that I may be allowed to take a loan scholarship on personal Security only, since I can not furnish any property to be mortgaged mortgaged to the Govt as security.

Without this help at least, I can not prosecute my studies any longer.

I request immediate orders may be passed so as to enable me to obtain a loan on personal Security.

Thanking you.

Letter No.H.A.1-2/34-35 dated 1st February 1935 from the Superintendent, Civil Veterinary Department, to the Director of Agriculture in Mysore, Bangalore.

With reference to your letter No.Roc.71/34-34 C.V.2 dated 26-1-1935 forwarding copy of G.O.No.D.4761-62/C.V.70-34-2 dated 25-1-1935 sanctioning a loan scholarship to D. C. Chandrasekarish, B.A., LL.B., Advocate and Member Legislative Council, I have the honour to enclose herewith a copy of letter dated 31-1-1935 received from Mr. Chandrasekariah for favour of your information.

While expressing his inability to stand as surety to D. C. Mahadeviah, Mr. Chandrasekariah, has pointed out that the student is in a hopeless predicament and that some help is necessary to enable the student to complete his course. I am also of opinion that he deserves some help at the fag end of his studies, at a distant place like Lahore, where the standard of living is costly. Besides the case is a pitiable one and calls for immediate succour. I therefore recommend that he may be granted a free scholarship as already recommended by me in lieu of the loan scholarship sanctioned by Government in order that the money so far spent on behalf of the studen may not be wasted.

Letter dated 31-1-1935 from Mr. D.H. Chandrasekariah, B.A., LL.B., Advocate and Member, Legislative Council, Davanagere, to the Superintendent, Civil Veterinary Department, Bangalore.

Your D.O.No.H.A.1-2/34-35/E.1 dated 29-1-1935 in the matter of sanctioning a loan scholarship to Mr. D. C. Mahadeviah is duly received by me.

I am sorry to state that this young man has indiscreetly given my name for personal security without consulting me before hand. It comes to me as a surprise to know how the Government could have sanctioned a loan on my security without previously informing me. It ~~is~~ is not my practice to stand surety ~~with~~ for anybody and I have no desire to depart from it even in the present case. I have also made

Adverting to your letter No.D.5596/C.V.70-34-6 dated 19th February 1935 conveying the orders of Government declining the reconsideration of Mr. D. C. Letter No.H.A.1-3/34-35 dated 14th March 1935 from the Superintendent, Civil Veterinary Department, to the Director of Agriculture in Mysore, Bangalore.

With reference to correspondence ending with your letter No.Koc. 71/34-35 C.V. 2 dated 5-3-1935 regarding the grant of scholarship to Mr. D. C. Mahadeviah, final year student of the Lahore Veterinary College, I have the honour to state that it is seen from the Comptroller's ~~office~~ statement ~~of~~ of the amounts paid to this student that he has been paid a free scholarship of Rs.1571/- with college fees viz., Rs.480/- so far. A student sent for study in the Lahore Veterinary College is eligible to draw a scholarship of Rs.1800/- (Rs.40/- for 45 months for the full course of study with college fees of Rs.480/-. Mr. Mahadeviah is therefore still eligible for a further free scholarship of Rs.229/-.

In this connection, it may be stated that Government were not pleased to sanction any free scholarship to this student as it was ascertained from the audit office that the student had already received free scholarship for 15 days in excess of the prescribed course. As it is now definitely known that he has been paid free scholarship of Rs Rs.1571/- only I request that the Comptroller may kindly be instructed to authorise payment of the balance of Rs.229/-to the student at an early date which has to count as a free scholarship and debited to the provision in the current year's budget under 27 (4) i, a - scholarship. The balance of Rs.251/- to make up the required amount, viz., 480/- for his study in the final year may however be treated as a loan.

As regards the information called for in your letter of the 22nd February 1935 I wish to state as follows.

1. From the mortgage bond executed for the previous loan it is seen that Mr. Siddiah has mortgaged his house as a security for the loa scholarship paid to his brother. It is presumably by inadvertance that ~~that~~ it has been stated in this office letter of 4-3-1931 that Mr.

P t -

Mahadeviah has mortaged his house. It is Mr. Siddiah who has now expressed his willingness for the grant of the loan scholarship to the student on the same security. His letter has already been sent to you on 8-2-1935.

2. A reference to Sub Registrar's office does not appear to have been made regarding the encumbrances on the house offered as security while the loan was granted to the student formerly. But from the enclosure to letter No.M.T.11057 dated 7-2-1935 of the official President, Davanagere Municipality, enclosed, it is seen that the house is free from all encumbrances.

3. The agreement executed while the previous loan was granted is herewith enclosed for reference. A reference to the Government Advocate does not appear to have been made for drafting the same.

By Order,

For Private Secretary

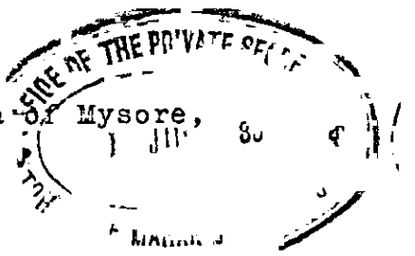
No. 27 of 35-36.

From Mr. D.C. Ramachandraiah L.V.P. praying for help to get his diploma of the Veterinary College at Lahore.

To

His Highness The Maharaja of Mysore,

MYSORE.



Bangalore
10.7.35

From,

D. C. Mahadeviah, L.V.P., (Punjab)
Punjab Veterinary College,
LAHORE.

Your Highness,

The humble petitioner most respectfully and loyaliy begs to bring to your Highness' kind notice the following facts for consideration and favourable immediate orders.

That he is a loyal subject having his residence at Davanagere in Chitaldrug District.

That he was selected as a candidate for study in Veterina course and he was given State Scholarship and was sent to Lahore to prosecute his studies in the Punjab Veterinary College, Lahor for a period of four years. This is the final year and by some reason or other, the scholarship was with-held and the petitioner was put to too much of inconvenience.

That as the college authorities could not allow the petitioner to attend lectures, he went to Bangalore during 1934 December to see the Director of Agriculture in this connection. Both the Superintendent of Civil Veterinary Department and the Director of Agriculture sympathised his case and recommended for free scholarship for this year also, as per sanction. But, unfortunately, the then financial Secretary to your Highness' Government did not view the matter in the same light, though the Superintendent had obtained sanction in the bedget for a free scholarship, and decided that a free scholarship cannot be granted and it can only be given as loan.

That the Veterinary course is for four years and as such the scholarship is to be paid freely for the complete course. All the previous batch students have been paid for the complete course and the petitioner is in the dark to know the strange procedure adopted by the authorities this year in this particular case.

Your Highness can very well understand to how much of

much of hardship and mental worries students will be put into on account of stoppage of the stipends.

The petitioner is a poor subject and he has no other source from where he could get help.

In order, however, to complete the course the petitioner had no other option but to agree to take loan scholarship. So, necessary security documents were executed and later non-encumberence certificate was furnished to the Government for Loan scholarship-sanctioned.

That the final year Public Examination was held during May 1935 and as the petitioner had not paid the College Fees etc., he was not given permission to sit for the examination. But the Principal of the College took pity on the petitioner and wired to the Director of Agriculture about the scholarship, for which he was given reply requesting him to allow the petitioner to sit for the Examination and that scholarship would be expedited. Accordingly the petitioner was allowed to sit for the Examination and he got through with distinction of Medal in Pathology.

It is already nearing six weeks since the Examinations are over and the Colleges have been closed for Summer vocation in Northern India. All the students have gone back to their places. The petitioner has not been able to leave this place as he has not got finance even for this journey.

The position of the petitioner has become too critical. For the past 12 months he has been suffering here without finance. He has passed many days without his daily bread even. He has not been able to pay any dues of Boarding and Lodging or College fees. The College authorities have withheld the Diploma Certificate till all the dues are completely paid up.

The humble petitioner does not want to snatch much of your Highness' precious time by elonging the matter. He only concludes that he has been put to starving situation in a distant place like Lahore. The matter which requires immediate attention is being delayed for more than an year by your Highness' Government. Your humble subject is too much humiliated and the honour of our State is at stake before the eyes of the public here. Under the above circumstances, he was forced upon to wire to your Highness

Highness which he did on the 3rd instant reading as under:-

"SCHOLARSHIP SANCTIONED. NOT EXPEDITED WHOLE YEAR. EXAMINATIONS OVER MONTH AGO. RESULT SUCESSFUL. PRAY ORDER REMITTANCE IMMEDIATELY. HELP STARVING SUBJECT. - MAHADEVIAH, VETERINARY COLLEGE, LAHORE."

Your Highness! the petitioner may kindly be permitted to point out that he would have not at all taken up to this course if there was no provision in the Bond executed, while taking up the course, that the scholarship may be stopped during the course. It was only with the expectation that the scholarship would be paid till the course is finished, the petitioner took up this study. He never knew that he would be harassed at the end of the course.

The humble subject earnestly prays that Your Highness may be pleased to order the Director of Agriculture to expedite remittance telegraphically saving the starving subject.

I beg to remain, Your Highnes
Your most loyal subject.

AGENCIES FOR SALE OF SANDALWOOD OIL.

POLAND.

In my letter of 12th instant, to you to stated that I would write separately in regard to the appointment of Wiktor Kojranski as agent for the sale of our oil in Poland. This gentleman is the proprietor of a firm which is the agent of Messrs. Stafford Allen & Co., London. Messrs. Stafford Allen wrote to me that Kojranski has been doing their business for a number of years in a very satisfactory manner, and they would recommend him to be appointed as agent. They have no objection to our appointing Kojranski in view of the fact that they do not sell Sandalwood Oil in Poland. The British Consul in Warsaw recommended the appointment of Kojranski and I enclose copy of his letter dated 19th November. The British Consul in Warsaw recommended the appointment of Kojranski and I enclose copy of his letter dated 19th November. The agency in Poland is not on all fours with the agencies in other parts of Europe. The polish agent is not willing to accept del-credere risks, and the sales in Poland have to be made on what is called Open Account, payable 90 days after delivery. Mr.Kojranski is of opinion that it is desirable, therefore, to restrict sales to absolutely first-class firms and to Government institutions. I propose to restrict sales to firms of undoubted standing as certified by the Anglo-Polish Bank, which is the agent of Messrs. Coutts & Co. Government Bankers in London.

The details of the agency arrangement made with Messrs. Kojranski are incorporated in a letter I have written to him

Hon. Mr. Rajagopalacharya.

Sir,

25/7/35

The following few facts are brought to your notice for favourable consideration and early orders.

That the applicant is a Mysore State veterinary Scholar who has been deputed by the State to undergo training for 4 years at the Punjab Veterinary College, Lahore. And accordingly he has finished the full course and has passed successfully with a distinction of a Medal in pathology.

That so far the applicant has been awarded by the State 3 years Free and two loan scholarships of nine months each, whereas according to terms of agreement he is entitled for a 4 years Free Scholarship. But from letter No.163/T.A.D.B.I. dated 28th September, 1934, from Comptroller to the Government of H.H. the Maharaja of Mysore, Bangalore to the Director of Agriculture in Mysore Bangalore (extract copy enclosed for ready reference), it is learnt that the applicant has been paid Free Scholarshi for a period of 3 years, 9 months and 15 days, whereas the applicant has actually received Free Scholarship for only 3 years vide the accompanying statement duly endorsed by the principal of the College. Now it can easily be seen, Sir, that the record as maintained by the Comptroller, is not revealing the true state of affairs, but only an incorrect account of the money disbursed by the Government of H.H. The Maharaja of Mysore vide Superintendent's letter No.H-A-1-2/34-35 dated 23-4-1935 to the Director of Agriculture in Mysore, Bangalore (extract copy enclosed

for ready reference).

From the various correspondences it is learnt that the Govt. have turned a deaf ear even for the grant of the loan scholarship for which a security and a non-encumberance certificate have already been furnished, pending sanction by the Govt. of a Free Scholarship. Although this loan Scholar-ship has been granted vide letter Roc 71-C.V.2/34-35 dated 13.4.35 from the Director of Agriculture in Mysore, Bangalore to the Principal, Punjab Veterinary College, Lahore, and inspite of such a long time that has elapsed between the date of the letter and this application the Govt. it appears, has not taken the matter too seriously to authorise the payment either of the loan scholarship or of the Free Scholarship due to the applicant. The examination was over 2 months ago and the student is left in utterly hopeless condition.

As the matter stands the applicant is left in utter starvation: he has not been in a position to pay his College dues, mess charges and other incidental charges which have now become precipitated. He has been driven to such a position that he is neither able to pay from his own purse nor borrow from somewhere else. In addition to the above he cannot even get hold of his Diploma to take his chance along with others of the few vacancies that might occur from time to time in the State service. The condition is so appalling, Sir, that the applicant is unable even to express all that he wants to. Further he is afraid that his appli-cation may become too unwieldy.

With these few words, Sir, the applicant prays your indulgence and to authorise an immediate payment of the scholarship.

I beg to remain,
Sir,
Your most obedient servant,
